- [BOOKLET FOR TAGGING HO \(reviewed 22.1.2015\)](#)

Download, complete and hand-in to your assessor prior to the end of tagging period.

This Booklet serves as a guide during HOs' tagging period. The duration of tagging is 14 days for HOs in their first posting, 10 days for HOs in their 2-4th postings and 7 days for HOs in subsequent postings. The aim of tagging is to ensure that you can perform your duties independently during on call. There are list of procedures that you are required to learn and be competent with after your tagging period. There will be an oral assessment with designated medical officers before your tagging is completed.
